INFORMATION AND MANAGEMENT SUPPORT STAFF
WEEKLY REPORT FOR PERIOD ENDING 30 MAY 1984

1. Progress Report on Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

a. LIMS

On 24 May a four-day review of documentation prepared by Booz-Allen & Hamilton (BAH) for Work Package One was completed. Representatives from OL, OF, and ODP participated in this review and provided BAH representatives with feedback on the document contents. With the exception of the User Manual, it was the consensus of the government representatives that BAH was ready to conduct the Critical Design Review (CDR) for Work Package One. This CDR will take place 11-14 June. The User Manual is being revised and is the subject of a continuing dialogue between C/LSD/ODP and IMSS.

b. DAS

C/Data Administration Service has drafted revised Competitive Evaluation Criteria for use by MLD Panel members. While these criteria retain many similarities to the Professional blue sheet, their proposed revisions are oriented towards the skills of and aptitude for automated data processing. Panel members are currently reviewing the content of requested changes.

c. Regulations

The following regulations were written, reviewed, commented upon, concurred in, or published during the past week:

[redacted], Procurement of Supplies, Equipment, and Services Chargeable to Fiscal Year 1984 Funds and Service Contract Renewals for Fiscal Year 1985 - Published.

[redacted], Recruitment and Appointment - Concurred with several recommendations.

d. Personnel

Welcome [redacted] On 29 May, [redacted] joined the Staff to fill the position of Claims Review Assistant.
